

**The Perils of Life (Blog/CD version)**

**The Blues Gangsters, 2009, BMI**

<David begins>

If you'll be my Bonnie

I'll be your Clyde

Together we'll ride through the Perils of Life

Like a mad mob

That runs through the night

Together we'll shoot up the Perils of Life

We won't give in

Morning or night

Together we'll ride through the Perils of Life

We won't give in; together we'll ride

Oh yeah! Together we'll rocket through the Perils of Life

Alright!

David Ellison-guitar lead

<Kristi sings>

If you'll be my Pirate

I'll be your Queen

Together we'll sail

Through all of the Perils

Hungry we'll rob

All provisions in sight

Together we'll sail through the Perils of Life

We won't give in

Morning or Night

Together we'll thrive through the Perils of Life

We won't give in; Morning or Night

Together we'll rocket through the Perils of Life

**Vocal/Musical Bridge-together**

<Dave sings 3x> "We will survive through—all of these perils"

<Kristi sings 3x> "We will keep running—we'll keep gunning!"
